Blissful Healthcare Services, Inc.

Is a licensed Home Health Agency in the State of Texas. We offer comprehensive nursing care for the medically fragile and chronically ill children between the ages of birth through 18.

Care and Services Provided

Care and services provided are covered by Medicaid and most Insurance companies. They include but not limited to:

- Medication Administration
- Ostomy and Enteral Management
- Family and Patient Care Education
- Private Duty Nursing
- Rehabilitative Therapy
- Skilled Nursing Services

We provide services for every sick child that qualifies for nursing care including those with:

- Ventilators/tracheostomies
- G Buttons/NGT/G-Tubes and feeding pumps
- Oxygen/pulse oximetry
- Nebulizer treatments, CPAP/Bi-PAP
- Respiratory insufficiency and chronic lung disease
- Neurological deficits and syndromes
- Severe developmental defects
- Wound care and dressing changes

How Services are Obtained

Referrals for pediatric services can be initiated by physicians, hospitals, health clinics, individuals, family members and others.

Blissful Healthcare Services, Inc. es una agencia de la salud para el hogar, con licencia en el estado de Texas. Ofrecemos servicios comprensivos de enfermería y cuidado para los niños médicamente frágiles y con enfermedades crónicas desde recién nacidos hasta la edad de 18. Nuestras enfermeras tienen la suficiente experiencia, habilidad y compasión para cuidar a sus niños. Tendremos especial cuidado de su niño y estaremos honrados de ser parte en la vida de su niño. Somos cuidadores profesionales y también una fuente de ayuda.

Para los servicios pediátricos de Blissful, el enfermo puede ser referido por una remisión médica de su doctor, de un hospital, de una clínica de salud, de un miembro de la familia o de una agencia.
